Please be aware if the funding is obtained priority goes to candidates who filled in the forms by the completion date of 31<sup>st</sup> July 2016. However places may become available if some candidates change their minds and decide they no longer wish to do them. Therefore your details will be added to a reserve list and if candidates are not available on dates when courses are arranged the reserve list gets called so please add yourself to the list as if we get future funding we can prove there is still a need for funding. THANK YOU.

By Filling in this form it is stating your commitment to wanting to gain these qualifications and so if YFC is successful in gaining further funding then a Training 4 Safety Project - PART 3 could be a possibility to follow the previous Training 4 Safety Project & T4S Project Part 2 A Sustainable Future which concludes 31<sup>st</sup> July 2016. Any new funding would be available from 1<sup>st</sup> February 2017.

Return your forms by 31<sup>st</sup> July 2016 even if you have filled in any form before to:
